## ABOUT

UX Designer with **3.5+ years** of experience designing complex **enterprise** and **customer-facing** products. Specialized in **AI-native experiences, workflow orchestration, mixed-methods research, and end-to-end product design**. Passionate about transforming complex systems into intuitive, trustworthy, and scalable experiences that **balance user needs, business goals, and intelligent automation**.

## WORK EXPERIENCE

### Master Thesis Student | SAP SE, Germany

January 2026 - June 2026

- Redesigned end-to-end **project billing workflow in S/4HANA** using **AI-native and agentic UX principles**
- Identified **automation opportunities** and **human-in-the-loop** decision points through workflow analysis
- Conducted **mixed-methods research, stakeholder workshops, and usability validation**
- Developed intelligent billing concepts focused on **trust, explainability, and reduced cognitive load**

### UX Design Working Student | SAP SE, Germany

June 2025 - January 2026

- **Intelligent Project Scheduling in SAP BTP** in collaboration with Product and Engineering
- **Fiori Guidelines Inconsistency Mapping for 20 Apps in S/4HANA**
- **Timesheet Anomalies** using **SAP Joule AI**
- **End-to-end ecosystem map of 39 Apps** in Enterprise Project Management on **S/4HANA** and **SAP BTP** improving **Information Architecture**

### UX Executive | BORN Group, India

May 2022 - February 2024

- End-to-end design including UX research, **desktop & mobile** design & strategy, usability testing and wireframing for **4 complex e-commerce projects** in **Automotive, Archaeology, Recreation, and Luxury Shopping**
- Helped boost **user engagement & conversion rates by 13-15%** through improved UX strategies
- **18+ project pitches** for multiple **e-commerce** companies
- Won **6 high-value project pitches of €150,000+ each**

### UX Intern | BORN Group, India

February 2022 - May 2022

- **UX research, competitive analysis, and wireframing** for **5+ projects**
- **Improve client pitches, UX strategy presentations** with Senior Designers
- Worked on **UX documentation** using tools like Google Suite and MS Office

## EDUCATION

### Master in User Experience Design

October 2024 - Present

Technische Hochschule Ingolstadt, Germany

**Main Focus:** Interaction Design, Research methods in HCI, Multi-modal interactive systems

---

### Bachelor in Product Design

June 2018 - June 2022

Dr. Vishwanath Karad MIT World Peace University, India

**Main Focus:** Design Research & Innovation, Behaviour Design, Business and Service Design

## LANGUAGES

**German:** Very Good, B2 | **English:** Fluent, C1 | **Hindi:** Fluent, C1 | **Marathi:** Mother Tongue

## SKILLS

### UX Research

Qualitative & Quantitative Research, Data Analysis & Visualization, Usability Testing, Surveys, Accessibility Analysis, Discovery Workshops

### Interaction Design

Information Architecture, Wireframing, Prototyping, Design Systems, Accessibility

### Product & Collaboration

Agile Development, Cross-functional Collaboration, Stakeholder Communication

### Tools

**Advanced:** Figma, Sketch, Miro, Adobe Creative Suite, JIRA, Respondent, UserZoom, UserTesting, Cloud Reporting, MS Office, Google Analytics

**Intermediate:** Unity, C+, R Data Analysis

**AI Tools:** Claude, Figma Make, Perplexity, Lovable, Gemini, ChatGPT and exploring

## RECOGNITIONS

- **ACM Publication | Technische Hochschule Ingolstadt:** Ride Recall - Object belonging system
- **2<sup>nd</sup> Prize | Mensch und Computer:** Ride Recall - Object belonging system
- **Special Performance Award | BORN Group:** Top performer award
- **Budding Star Award | BORN Group:** Top young performer award
- **Finalist | Taiwan International Student Design Challenge:** ScrubTub - Improving the street food hygiene
